

Town Council Appoints Committees For The Year

The statutory meeting of the Council of the Town of Didsbury was held in the town office on Monday, March 5, and Mayor H. Lynch-Staunton and Councillors E. Klinck, P. Andrews and H. Stiles took the oath of office.

Committees for the year were set up as follows:

Finance: Councillors C. E. Reiber and Mayor H. Lynch-Staunton.

Public Works: Councillors E. Klinck and C. E. Reiber.

Fire and Police: Councillors P. Andrews and E. Pieper.

Property: Councillors C. E. Reiber and S. J. Gilson.

Sanitation: Councillors E. Pieper and H. Stiles.

Relief: Councillors H. Stiles and P. Andrews.

Waterworks: Councillors S. J. Gilson and E. Klinck.

Civil Defence: Councillors S. J. Gilson and H. Stiles.

Building Inspectors: Councillor E. Pieper and Const. Dobbin.

Library Board: Mrs. H. Lynch-Staunton, Mrs. Leavens, Miss L. Staunton and Councillors E. Klinck, P. Andrews and H. Stiles.

Hospital Board representative: Councillor S. J. Gilson.

Roadside Health Unit representative: Councillor E. Klinck.

Auditor: A. Brusco.

Assessor: E. B. Nowers.

Meeting dates were set at the first and third Mondays of each month.

Councillor C. E. Reiber was appointed deputy mayor for the first three months; Councillor S. J. Gilson for the second three months; Councillor E. Klinck for the third three months, and Councillor P. Andrews for the last three months of the year.

Local jail facilities were discussed by Council and an endeavor is being made to procure a prisoner's cell and have it installed in the fire hall.

A communication was received from Mr. B. Lee of Edmonton, inquiring about a gas franchise for Didsbury, and he will meet with Council at the next meeting to further discuss the proposition.

The License By-Law of the Town was revised to include the licensing of real estate agents, automobile dealers, milk vendors, coal and wood dealers, plumbers and electricians, and also to license bicycles at 50 cents each.

The poll tax question was discussed, but was left over until the next meeting.

Give Generously To The Red Cross Fund

Now that the weather has moderated and the roads are opening up the Red Cross canvassers are beginning to work in earnest and will endeavor to contact as many as possible within the next week or so. However, their job is not an easy one and country canvassers in particular will not be able to call personally on some of their neighbors due to the blocked roads. For this reason those who have not been canvassed should make an effort to contact their district canvasser or leave their donation in town either with Mr. W.A. Austin or at Reiber Bros. office, where official receipts can be obtained.

There is no doubt that the Red Cross needs the money this year if its work of mercy is to continue. The new Red Cross Crippled Children's Hospital at Calgary needs considerable money to complete it and pay operating expenses; out-patient hospitals must be maintained; blood relief and other deserving causes constantly require funds, and the Blood Transfusion Service must be maintained and enlarged so that sufficient plasma is available for war emergencies.

Didsbury's quota for the Red Cross this year is \$3,000. Since the quota for 1950 was \$250 this means that donations as a whole must be larger than last year if the quota is to be reached.

Your donation is needed and appreciated. Give generously when the Red Cross canvasser calls.

The following is a partial list of Red Cross donations reported by the canvassers:

R. Luft \$5; R. Ross \$2; E. S. Brower \$10; H. Braun \$2; E. M. Jahns \$5; A. Eggleston \$2; W. Walcott \$5; H. Papke \$2; R. Kershaw \$10; L.M. McGiffin \$1; P. Goossen \$5; G. Law \$40; Dan Reinhardt \$5; Mary Jane Klinck \$25; Harry Gabel \$2; W.A. Austin \$20; E. J. Rouleau \$2; Wm. McFarquhar \$20.

Bouquets of daffodils decorated the Westcott United Church on Friday, March 9, at 2 p.m., for the wedding of Ruth Eileen, second daughter of Mr. and Mrs. J. D. Ewin and Mr. Tohm-Ewin, son of Mr. and Mrs. Herman August Tohm of Carleton Place, Ontario.

Matching accessories were a blue hat and blue lace elbow-length gloves. She carried a bouquet of red roses, and her only ornament was a single strand of pearls with earrings to match, the gift of the groom.

POLL TAX NOT A FAIR LEVY

At the last meeting of the Town Council the matter of a poll tax was discussed, and finally held over until the next council meeting.

A poll tax in our opinion is one of the most unfair and possibly the most difficult to collect of any tax scheme. It may bring in a few extra dollars but the tax will always be paid in protest and its enforcement will only cause ill-feeling and discontent.

After all, anyone in town who rents a house or pays board and room is actually paying taxes (which are included in such rent or board) and should an additional levy be made it would certainly be most unfair.

We hope our Town Council will reconsider the enactment of a poll tax by-law.

Double Ceremony
Unites Two Families
In Didsbury District

A very pretty wedding ceremony was solemnized at Redeemer Lutheran Church, Didsbury, on Tuesday, February 27, at 2:30 o'clock, when Laura Mary, eldest daughter of Mr. and Mrs. Jas. McCulloch was united in marriage to Mr. Howard Krebs, youngest son of Mrs. Annie Krebs and the late Otto Krebs; and Jean Catherine, only daughter of Mrs. Annie Krebs became the bride of Mr. Arnold James McCulloch, only son of Mr. and Mrs. Jas. McCulloch, all of Didsbury.

The ceremony was performed by Rev. E. B. Fox.

Miss Laura McCulloch was given in marriage by her father, and Miss Jean Krebs was given in marriage by her brother, Mr. Albert Krebs.

Both brides were attired in identical gowns styled in colonial mode, and the wedding gowns featured long lily point sleeves, sheer nylon yokes and lace bertha collars on the molded bodice, which were marked from neckline to below the waist at back with small satin-covered buttons. The bouffant skirts were caught up at intervals at the hemline to reveal tiers of lace, while their veils cascaded from jeweled coronets, and they carried bouquets of red roses.

Miss Lila McCulloch was her sister's bridesmaid, and was dressed in a formal gown of pink eyelet with matching coronet and lace mittens, and her bouquet was of blue carnations.

Miss Norma McCulloch, cousin of the bride, was also a bridesmaid and she wore a blue satin formal gown, the skirt of which was draped gracefully and caught up with bows. She wore a matching coronet and lace mittens, and carried a bouquet of pink carnations.

Miss Annie McCulloch, the bride's youngest sister, was flower girl and was gowned in yellow nylon with net yoke and wore a yellow coronet and mittens. She carried a basket of yellow roses and pink carnations.

Mr. Lawrence Krebs was his brother's groomsmen.

Miss Jean Krebs had as one of her bridesmaids her cousin, Miss Nora McLean of Salmon Arm, B.C., who wore a pink satin gown with net overskirt, a pink coronet and mittens, and she carried a bouquet of blue carnations.

Miss Doreen Korschuch, also a cousin of the bride, was the other bridesmaid and she wore a blue satin gown with net overskirt, blue coronet and mittens, and she carried pink carnations.

Miss Carol Krebs, niece of the bride, was flower girl and wore a gown of yellow nylon with net yoke, yellow coronet and mittens, and carried a basket of yellow roses and pink carnations.

Mr. Robert Fulkerth, cousin of the groom, was groomsmen.

During the signing of the register Miss Jessie McCulloch sang "I'll Walk Beside You," and Miss Mildred Luft sang "Because," and Miss Bryce Thompson accompanied the soloists at the electric organ.

Mr. Hugh Richardson, Mr. Kenneth McCulloch, Mr. Harold Krebs and Mr. Robert Korschuch acted as ushers.

A reception was held immediately following the ceremony in the church basement with 185 guests attending. The room was decorated with pink and white streamers and white bells, and the bride's table was centered with a three-tiered wedding cake flanked with lighted white tapers. Servitors were the Misses Olwyn, June and Ellen Richardson, Edith Garner, Evelyn McCulloch, Joy Folkman and Kay and Doreen Fraser. Rev. Fox proposed the toast to the bride and to which the grooms responded.

Mrs. McCulloch wore an afternoon dress of cocoa brown with matching hat and a corsage of yellow rosebuds. Mrs. Krebs wore blue crepe Romaine and white hat and her corsage was of yellow rosebuds.

For travelling the brides both wore steel blue matching suits with pink accessories, and the wedding party left for a month's motor trip to points in the United States and will return by way of the west coast.

Upon their return Mr. and Mrs. Arnold McCulloch will reside on their farm east of Didsbury, and Mr. and Mrs. Howard Krebs will reside on their farm west of town.

Out of town guests were Mr. and Mrs. Wm. McCulloch Jr. of Edmonton, Mr. and Mrs. Jim Fraser and daughters of Turner Valley, Mrs. Glen Fulkerth of Banff, Mr. and Mrs. V.L. Wollen of Fort St. John, B.C., Mr. and Mrs. Vernon Wollen of North Pine, B.C., Rev. and Mrs. Reiner and Mr. and Mrs. Lester Korschuch of Red Deer, Mrs. Hodge of Calgary and Mr. and Mrs. Riley Moon of Nanton.

Better Seed... Better Crops

This advice to farmers goes back for thousands of years. It is still true today. The best seed obtainable is registered seed, guaranteed for purity, trueness-to-type and high germination by the Canadian Seed Growers' Association and Plant Products Division of the Dominion Government.

Government Business Is Your Business

The boundaries of habitable land in Alberta are being extended every year by the province's tremendous road program. As civilization pushes the frontiers back, more areas are accessible and usable, thereby contributing to a more balanced provincial economy. Following the initial road building projects come the vast improvements and maintenance work necessary on the network of existing highways throughout the length and breadth of the province. Good roads for all is the ultimate objective of the Department of Public Works; for good roads are connecting links to unity.

ROADS. During 1950, 279 miles of asphalt highway were laid, bringing the total hard surface to 1,039 miles.

Altogether, more than 5,000 miles of main and secondary highways were in use during the year, and more than \$13,300,000 was spent on construction alone. This constitutes a record expenditure, but planned construction for 1951 is anticipated to be even greater. Additional improvements during the year included the painting of centre strips on highways and replacing the old highway signs with standard illuminated diamond-shaped signs.

BRIDGES. The biggest bridge construction in Alberta's history is underway. The 1950-51 steel bridge construction includes bridges over the Bow River at Calgary, over the Red Deer River at Empress, over the north Saskatchewan at Elk Point, Clover Bar and Devon, and over the Athabasca river at Athabasca. In addition to this reinforced concrete bridges and many timber bridges have been constructed or rebuilt where traffic demands are greatest. Bridges replace ferries by priority on a traffic count basis. A total of \$2,348,000 was expended on bridges during the year 1950.

WESTCOTT

Congratulations are in order for Miss Eileen Daggeford, who won three first prizes at the Ice Carnival in Didsbury recently, one of these being the ladies' open race.

The Westcott hockey team has won two out of three games played against the Waltham League Young People's hockey team.

The dance held at the Westcott

school last Friday evening was well attended and all had a good time. Mr. B. Tohm, Mr. C. Murphy, Miss Clara Schneidmiller and Mr. Gordon Robertson supplied the music.

Mr. and Mrs. Tony Spooner and sons of Zella district, and Mrs. John Jacobson of Sundre, took in the dance and thus renewed old acquaintances.

The Chas. Topping family has been sick with the flu, as has been Mr. Bill Weidner. We're hoping all the sick in the district will soon be

better.

Phyllis Dunphy of Carstairs was a supper guest at the home of Mr. and Mrs. Herbert Goetzen on Thursday evening last.

Best wishes are extended to Mr. Bernal Reinhart who had his tonsils removed in the Didsbury hospital last Saturday.

The weather man decided to give us more winter and on Monday, with 25 below zero and a nasty wind blowing the snow around, transportation was at a standstill.

The children at the Westcott school had a holiday, the parents being in agreement with the teacher that it was too risky to send children out in the intense cold, especially with roads drifted.

The Westcott junior hockey team won its game with the Didsbury Greenlins 7-1 last Wednesday, and they expect to finish the play-offs with the Didsbury Lions this Tuesday evening.

Mrs. Herbert Goetzen and Leslie attended the Fish and Game supper in Didsbury last Wednesday evening, where Leslie was awarded second prize in the crowd and magic campaign of last summer.

Notes From The D.A.

(By Hugh McPhail)

Testing of herds in the Municipal District of Mountain View No. 49 for Bovine Tuberculosis has been underway for nearly two months. So far about one-half of one per cent are reactors, and compensation is naturally low. Posters are to be put up on all roads at the south and west sides of the Municipality.

I had hoped that it might not be necessary to put these posters on the west side but Dr. Storey informed me that in all cases only one M.D. was dealt with at a time. He assured me that Waterloo M.D. No. 56 and L.D. No. 51 would be dealt with immediately after the testing had been completed in the Mountain View Municipality, and that all cattle in these districts should be tested by the Fall of 1951.

The veterinarians have been willing to co-operate to test herds when it was most convenient to the owners. Some have had auction sales, some had sold bulls to go to T.B. free areas. These herds were tested although it was not as convenient as just moving from farm to farm.

In regard to cattle moving from west districts 51 and 56, Dr. Storey has this to say: "Posters should be placed on both south and west borders of Mountain View No. 49, which will in no way hamper

DUMPING DUTY

A "dumping duty" was imposed against British motor cars by the Canadian government some weeks ago. This action was taken by the Canadian government after representations were made by the Canadian Automobile Chamber of Commerce, which stated that some British cars were being imported at lower prices than the fair market value as sold for home consumption. Hon. J. J. McEwen, the minister of revenue for Canada, said no protests had been received from Great Britain or from Canadian agricultural interests. It now appears that the dumping duty will go into effect on May 31st.

STOCKPILING FOR DEFENCE

Britain is buying 13 million of strategic reserves including essential foods, mainly sugar, cereals, fats and canned meats.

trucking of cattle to market from the two districts to the west. Shipments of cattle by rail from the west districts will undoubtedly be hampered until these districts are dealt with."

WARBLER

I mentioned warblers in my last week's notes. All cattle owners know the Warble Fly is a costly pest. The higher the price of dairy products and beef the higher price farmers are paying for tolerating this pest which causes tremendous losses. Some years ago it was estimated that warbles cost agriculture up to 20 million dollars annually.

Much has been done to reduce this toll but if warbles were as numerous as they had been the cost would be from three to 10 times as great.

Losses are caused in dairy cattle by the warble fly scarring the cows. The higher the producer the more damage is done to udders, and sometimes they are ruined. Apart from udder damage milk production is reduced because cattle do not eat when they should and do not thrive.

Beef cattle do not put on weight they should while warble flies are molesting them. In winter or near spring their backs are often covered with sores like boils where the grubs finally emerge. Hides are severely damaged, and hides now are fabulously valuable. Pounds of meat along the backs are ruined.

To be effective cattle should be treated for warble flies twice and preferably three times.

1950 CANADIAN-MEXICAN TRADE BROKE ALL RECORDS

Trade between Canada and Mexico had broken all records by the end of October 1950, and the balance in Mexico's favor amounted to nearly \$11 million. Trade between the two countries amounted to \$123 million in the previous record year, 1948. It fell off to a little more than \$40 million in 1949, but totalled \$542 million in the first ten months

of 1950. Canada is selling a greater variety of manufactured goods, and in return is buying Mexican raw cotton in considerable quantities at higher prices.

Lacquer once was solely a natural product, the sap of an Oriental tree. Now, made synthetically, it comes in many more colors than nature produced.

Last Friday, March 9, President
and Mrs. J. T. Hoskins, Mr. G. Lyle
Richardson and Mr. John F. Wilson
visited the Canadian Nazarene Col-
lege at Red Deer. Mr. Hoskins was
invited to speak to the student body
there in the interests of College
Educational week. He based his ob-
servations on Joshua 1: 8: "This
book of the law shall not depart
out of thy mouth." The burden
of his message was the fact that
the Bible, which is the Word of
God, is the rock and pivot of all
genuine learning. Mr. Richardson
sang "He Will Not Fail Me Now."
Also by request he sang "There is
a Balm in Gilead." Mr. Wilson ac-
companied these numbers on the
piano.

On Sunday, March 11, President
and Mrs. J. T. Hoskins, a male trio
comprising Bill and Stan Cox and
Ken Sherrick, and Jeanette Neufeld,

Nazarene Church of which Rev. W.
Barber is pastor.

day, March 11, in the interests of
Youth For Christ.

8 o'clock at the United Missionary
Church will be given the first
joint recital of voice and piano pu-
pils of Messrs Richardson and Wil-
son respectively. Everyone is cor-
dially invited to attend this pro-
gram.

On Good Friday at 8 p.m. at the
United Missionary Church Mr. Peter
Waidin, speech teacher, assisted by
Miss Irene Megill and Mrs. Pearl
Lemont, will present the Easter
story in interpretative readings.
Appropriate Easter music will be
supplied by members of the music
department.

On Sunday evening, March 18, at
8 o'clock, the College A Cappella
Choir will give their first complete
concert. (Sponsored) the season at
the New Bergthall Church, east of
Didsbury. The program is in charge
of the director, Mr. G. Lyle Richard-
son.

On Easter Sunday evening the
Chapel Singers, assisted by the
Choir, will present J. H. Maunders's
"Olivet to Calvary." The place will
be announced later.
